

Some recommendations of things to do before classes begin:

- Introduce yourself to your resident assistant (RA).
- Get to know your roommate (background and preferences for such things as sleep time, having guests in the room, etc.).
- Complete your roommate agreement and room condition report.
- Get acquainted with your neighbors.
- Get acquainted with your building.
- Buy books.
- Apply for a part-time job on campus.
- Tour campus to find the locations of your classes.
- Participate in hall and campus activities (UNI Now).
