## **How can I change my meal plan?**

Students living in the residence halls are required to have a meal plan, with the exception of students living in ROTH.

Meal plans may be changed one time each semester prior to September 15 and February 1 for fall and spring semesters, respectively, and will result in a billing adjustment and a change in Dining Dollars.

If you cancel a meal plan or change to a meal plan without Dining Dollars, you are billed for the Dining Dollars used in addition to the weekly meal rate prorated for the time you had a meal plan.

If you change your meal plan, Dining Dollars change to the level provided on the new plan, but adjusted for any amount used prior to the change. If prior to the meal plan change, you used more Dining Dollars than the new plan provides, you will be billed for the amount of Dining Dollars used above the level of the new plan.

Students moving off campus need to sign an off-campus contract if they wish to retain a meal plan.

Changes and cancellations in meal plans become effective on the Friday afternoon following the request for a change.
