Welcome to your home away from home! As in the past, we are pleased to offer you the opportunity to stay with us in our halls for the 28th Annual UNI RA Conference. The housing committee is working to prepare for your arrival to campus.

Staying with us on campus is already included in the registration fees for delegates.

Delegates - You will have the chance to experience a variety of our halls as we are converting lounge spaces to your home for the weekend. Mattresses will be provided, but you will want to bring your own pillow and linens (or a sleeping bag); and your basic toiletries. Showers are in traditional residence hall bathrooms, thus, you will want to bring shower shoes. You will be placed with other individuals that may be from other delegations. Unless we have higher than anticipated numbers at our conference, there will be no more than six people staying in a lounge. There also are a few rooms that will be available on the top floors of the Towers. Once those fill, we will place delegates in lounges.

Advisors - For all advisors, or if you choose to make your own arrangements to stay off campus during the conference, you may find the following nearby hotel information to be helpful.
