HELPFUL INFORMATION

Fire
When a fire is discovered, residents should pull an alarm and evacuate the building. When an alarm sounds, residents must leave the building. When leaving a room, if safe and possible students should:
• Turn off lights
• Put shades up and open curtains
• Leave all room doors leading to the hallways closed
• Lock your door

Do not use the elevators during evacuation of the residence hall. Exit the building by the nearest exit or the exit farthest from the fire or smoke when the alarm is sounded.

Residents should remain at least 50 feet away from the building and not re-enter until an “all clear” signal is given by residence life staff and/or fire department officials.

*Fire drills are performed once each semester, typically the first Tuesday of classes each semester.

Hall Offices
Hall offices are located in each building or area. You can have your questions answered, pick up packages, obtain lock out keys, or schedule a meeting with residence life staff at the hall office.

Tornado
In the event of severe weather, you should stay tuned to a local radio or TV station for the latest report on conditions. Residents will be alerted to tornado warnings by a prolonged blast from sirens located on campus. If you are signed up for UNI Alert, information will be sent to the number you provided.

The warning siren is tested at 11 a.m. on the first Wednesday of each month.

Residents should:
• Close and lock room door on the way out.
• Move to an interior hallway; residents in high rise buildings should move to lower floors.
• Sit on floor away from glass and doors.
• Not return to their room until the warning is over.

UNI Alert
The UNI Alert system automatically (within 20 minutes) notifies all current students, faculty and staff of emergencies and threats to physical safety, such as violence, tornado warning, hazardous material incident, cancelled classes, university closure, etc. Notification is by cell phone, landline phone, e-mail and text-message. The system uses the contact information found in the official university directory which individuals should make sure is up to date at all times (see Safety and Health link on the UNI home page).

Safety & Security

Security is the shared responsibility of each resident and staff member. Residents are responsible for locking their rooms and assisting with maintaining a secure facility.

Medical Emergency
If a resident or guest requires immediate medical attention, call 911. You should also notify the nearest RA or the hall office. Residence hall staff members are not permitted to transport students to the hospital.

Safety or Disturbance
If you encounter a safety problem (such as broken doors or windows) or a disturbance in a residence hall or apartment building, contact the nearest RA immediately. If an RA is not available, call the hall office. For fire or injury, call the police at 911.

Safety Escort Services
UNI Police provides safety escorts to students who need rides at night from parking lots or locations on campus. You may inquire by calling 319-273-2712. Put this number in your cell phone.

Card Access
Each residence hall is locked 24 hours a day. To gain access to a building, students who live in the building may gain access by presenting their student ID to the card access reader. The card access reader is often a black box, mounted on a wall near the door, or a box on the door itself. If the card presented does not unlock the door, AND you should have access to the building, you may obtain assistance from the Department of Residence Office in Redeker Center during business hours or the RA on call after business hours.

Non-residents of the building will not be permitted to enter the hall unless accompanied by a resident.

Residents are not to give non-residents access to outside entrances, and are not to let non-residents into the halls unless they are accompanied by residents.
Decorations
Students are encouraged to decorate their room with their roommate(s) to fit their style. Based on safety concerns, there are decorating guidelines as follows:

• Door Coverings - no more than ¾ of the door may be covered.
• All hanging decorations in student rooms or corridors must be of fire resistant or fire proof materials.
• Miniature lights that are UL listed and do not generate noticeable heat are permissible in student rooms, but no lights of any type are to be used in the decoration of student room doors.
• No decorations may be placed so as to obstruct access to hall, stairwell or exit.
• No extension cords are to be used from student rooms into the hallways.
• Items may not hang from the lights, sprinklers or pipes.
• No live trees, branches or wreaths made from live trees shall be used in decorating student rooms or hallways.
• Pumpkins used for decoration for Halloween or Thanksgiving must be thrown out no later than Thanksgiving break.
• No items in the hallway - this includes welcome mats.
• Lamps - medusa or halogen torchier lamps are not allowed. Other style lamps are permitted.
• Only wickless candles are permitted.

Guests
Guests are considered any person who is not contracted to the room OR the building. Any guest must be escorted by their host (contract holder) in the building.

Guests may be present in a room that is not theirs if permission is granted from the contract holders. This includes roommates, suitemates, or apartment roommates.

Guests can be asked to leave by hall staff if they are found to be violating community standards, including but not limited to being unescorted in a hall that they do not live in.

See Student Code of Conduct for official policies.

- Open electronic access doors
- Check out books and pay for copies at Rod Library
- Access the Wellness & Recreation Center

**Replacing a Lost UNI ID Card**
For the cardholder’s protection, lost cards should be reported immediately to the university. The cardholder will be held responsible for any purchases made with your card until the card is reported lost or stolen. Report lost or stolen cards online by clicking on the Life @ UNI tab in MyUNIverse and then using the link under Report My ID Card lost.

Lost card vouchers are issued to enable cardholders to eat meals in the dining centers if they have a meal plan. For your protection, lost card vouchers may not be used for credit or dining dollar purchases.

An ID card that is found can be reactivated or a lost card can be replaced in the Department of Residence office Monday through Friday, 8:00am–4:30pm. The card replacement fee is $30.

**Rules Governing ID Card Use**
- The ID card issued to you is the property of the University of Northern Iowa (UNI).
- UNI is not responsible for any losses sustained by card holder.
- If an ID card is lost, it can be deactivated in MyUNIverse.
- ID Cards are not transferrable.
- Lending ID Cards to others is prohibited.
- Punching a hole in the ID Card will cause damage and should not be done.
- A fee may be charged to replace a lost or damaged card.
- University departments, personnel, or community businesses may not ask to retain your ID Card as collateral for goods or services.
- ID card must be surrendered when requested by University personnel.

**Lost and Found**
Each hall has a lost and found located in the hall office. Items that go unclaimed for 30 days or more will be discarded or donated to charity. Items left in resident rooms at the end of the semester, or after a student checks out will be held for 30 days. Students may pick up the items by contacting the Department of Residence Office, for up to 30 days after the last day of finals.

**Maintenance Problems**
Request for room repairs (locks, faucets, heaters, light bulb replacement, etc.) should be made online at:

Your Room

Air Conditioning Units
Special accommodations can be made if you have a need for an air conditioner. Please visit Student Disability Services for information regarding procedures to follow and obtain approval at sas.uni.edu. (Please note that for safety reasons, air conditioners cannot be installed in Bender or Dancer.)

Appliances
The following UL-approved electrical appliances are authorized for use in residence hall rooms: clock, coffee pot, curling iron, Pizza Pizzazz, electric blanket, electric toothbrush fan, George Foreman grills, hair dryer, heating pad, iron, microwave oven, popcorn popper, radio, razor, refrigerator (4.5 cubic feet or smaller), sewing machine, stereos, study lamp (NOT halogen torchiere or Medusa lamps), television and personal computer. Cooking appliances with closed UL-approved heating elements are allowed, such as toaster ovens. Other open-coil heating or cooking appliances, sunlamps and hot plates are not allowed, due to potential fire and sanitation hazards.

Bicycles
Bicycles should be parked in the racks provided near each hall. They may also be kept in rooms with the permission of roommates. No other storage areas are available. Bicycles left on campus following the conclusion of either spring or summer session will be considered abandoned and may be impounded.

There is a campus Bike Share Program that allows UNI students to rent a bicycle for short term or up to a full semester. Check with NISG for information.

Check-In
Each resident is responsible for obtaining a room key at check in. They will review the RCR (room condition report) online for accuracy, then electronically sign and submit the RCR. All residents are expected to submit this form at the beginning of the year or each time they move to document any problems with the condition of their room/apartment when it is initially occupied. Upon check out, the form will be used to identify damages for which the resident will be held responsible unless:

- It was noted in the report.
- It is normal wear and tear.
- It is a maintenance problem that arose during the year that was properly reported.

Resident's who fail to submit and approve an RCR may be held responsible for damages identified at check-out time.

Check-Out
Prior to vacating the hall or complex (terminating one's contract), it is necessary for residents to follow contract procedures.

Failure to do so may result in charges for improper check-out. Information about proper check-out is available from residence life staff. The normal check-out procedures include but are not limited to:

- Removing all belongings.
- Cleaning the room (residence halls) or bedroom and common areas of the apartment.
- Arranging for a time to check out with the RA (in advance) or checking out by express check-out packet.
- Leaving a forwarding address and completing any other necessary paperwork.
- Turning in your room key.

Damages
Damage to residence hall property will be charged to the person(s) responsible for the damage. Residents are encouraged to maintain the physical condition of their room to avoid damage assessment charges. When damage is discovered in a student's room or in a housing living area, the damage will be reported to the residence life coordinator or area coordinator. A charge will be levied in accordance with the assessed cost of repair completed by university personnel. This charge will then be added directly to the student's monthly bill through the accounts receivable system or billed to the residents in the house in cases of house area damages.

Decorating
Residents are encouraged to creatively personalize their rooms in ways that satisfy roommates and comply with maintenance and safety standards. See safety: decorations for more specifics.
Furniture
Overstuffed chairs or sofas should be inspected to make certain they will not present health or safety problems. The university strongly discourages the placement of those items in rooms because of their potential to contribute to serious fires.

Homemade lofts are not allowed as each hall has a bed that can be lofted in the room for each occupant. Each bed loft has a railing, which must remain on the bed if the bed is lofted.

Student room furniture must remain in the room. No storage is available in the halls. Furniture cannot be left in hallways or lounges. If the furniture is not in the student room upon checkout, the student will be charged the full replacement cost.

Pets
See Student Code of Conduct > IX: Student Conduct Process > G: Misconduct in the Department of Residence > 5: Pets.

Additional university animal polices: policies.uni.edu/809

Prohibited Items
Primarily for safety and health reasons, the following are not allowed in resident rooms: air conditioner (unless approved for medical reasons), hanging items (that need nails), space heaters, halogen torchiere (floor-to-ceiling, with bulb facing ceiling) or Medusa lamps with plastic globes/ shades, pets (except fish), water beds.

Room Condition Report (RCR)
Room condition reports are documentations of the condition of the room as you moved in. Each staff member completes a report prior to your arrival. This allows for you to quickly be able to verify and make any edits to the report upon your arrival. This report is what is used to check the condition of your room when you check out of your room, regardless of your choice to make additions or alterations.

Room Entry
The DOR, in order to maintain its property and a safe environment for students, reserves the right to have its authorized personnel enter and inspect rooms and apartments as it deems necessary. Staff may choose to enter a residence hall room for the following reasons:
• When there is a strong reason to believe that any term or condition is being violated.
• To maintain an environment that facilitates the scholarship of other residents.
• To conduct safety inspections.
• To complete repairs that have been reported.
• Whenever someone moves out of a room.
• For pest control.
• For any emergency reason (e.g., fire or broken pipes).

If residents are not in the room, they will be left a written note of such an entrance. When possible, residents will be notified in advance for safety inspections and pest control visits.

Room Keys
If you are temporarily locked out of your room, a substitute key may be checked out at the hall office and returned by no later than noon the next day (after 4 p.m. Saturday or Sunday).

Your UBill will be charged a $2 fee for any of the following:
• Beginning with the third time each semester, every use of a substitute key and/or outside door access.
• For every use of the substitute key and/or outside door access when the Hall Office is closed.

Please keep in mind that for security purposes, you will be asked to provide some form of identification (student ID, student ID number, or driver’s license) when checking out a key.

To replace a lost key, please report it to the hall office. The cost is $60 to recode the door and replace the key.

Roommate Agreements
Roommate agreements are provided for each roommate grouping to work through and collaborate on what living together will look like for the year. Roommates are expected to complete an agreement each year.

Service Hub
Residents have the option of accessing the Internet through ResNet, UNI’s residential network. ResNet is used in the traditional residence halls, Roth and Panther Village. To get help, please call 319-273-5555 or visit Service Hub at servicehub.uni.edu.

For general information about Internet connections on campus, visit the IT website at it.uni.edu.

Students are expected to comply with polices pertaining to computer use, such as UNI’s Computing Resources Policy, which can be found at it.uni.edu/policies.
The Residence Hall and Dining Contract, is a legally binding document that describes the mutual agreement between you and the university regarding your academic-year commitment to live on campus. Policies related to this contract pertain to all dining and housing facilities within the Department of Residence.

Cancellation
Inquiries should be directed to the Department of Residence at residence@uni.edu.

Room Buyout Period
a) If a student occupies a room that falls below its designed capacity, they may request to keep a double room as a super single or a triple room as a double after the second week of each semester for an additional fee by contacting residence life staff. These requests are honored as possible and an additional charge may apply. If a student does not wish to keep a double room as a super single or a triple as a double, they can 1) find another resident to live with them, 2) move to a room with someone else, or 3) choose to remain in the room below capacity knowing that a new roommate may be assigned to them at any time. When assigning a random roommate to a room below capacity, residence life staff will determine which room the student will be assigned based on original contract date.

b) The Department of Residence reserves the right to consolidate residents when hall occupancy is below 100 percent capacity, and there is a need for the space as determined by hall staff. Residents living in rooms at less than capacity may be charged an additional fee, if they choose to stay in that space.

Recontracting
Recontracting begins in the fall semester. Information will be provided via university email.

Request for Release
Inquiries should be directed to the Department of Residence at residence@uni.edu.

Room Change Request
Room changes are typically not completed during the first two weeks of fall semester and the first week of spring semester. Requests can be made at the hall office.

Terms and Conditions
dor.uni.edu/contracting/contract-terms-and-conditions

Vacation Periods
You may occupy your room from the beginning of the semester to the end of your last final in the spring semester. A request to stay late form will be sent out by the residence life coordinator that should be filled out and returned to the hall office. Residents staying during these breaks are expected to follow guidelines concerning these periods, including no overnight guests. For assistance during these break periods, residents are encouraged to contact the RA on call.
Diet/Special Needs

Special Dietary Needs
Student Disability Services works with dining’s registered dietician to ensure safe meals for those who have health-related dietary restrictions. If you have a special dietary need, please contact the manager in the university eating establishment where you dine or email residence@uni.edu.

Illness
If a student is not feeling well, a light meal consisting of broth, gelatin, and a beverage is available. The meal can be picked up by a friend. Dishes are to be returned to the dining center. Contact the dining center to arrange for a sick tray.

Expectations
• Take what you want, eat what you take. Taking one portion at a time helps you manage the amount of food you eat. You may go back for seconds as often as you wish.
• Leave it here — the dishes, silverware and glassware are provided for your use while you are in the dining centers. Taking these items is theft and prevents us from providing quality service.
• All-you-care-to-eat — while you are in the dining centers. Taking food out of the dining center for later meals or snacks is not a part of the meal plan.
• Return your dishes to the dish returns before leaving the dining center.
• Wear shoes, shirts and other appropriate clothing when eating in the dining centers.

Locations
UNI Dining Services offers a wide variety of options located throughout campus for students, faculty, staff, and guests to enjoy a sit down meal, a sandwich on the go, or a cup of coffee on the way to class. Menu offerings include made-to-order items, recipes made from scratch, and healthy options giving customers the flexibility to eat what they want, when they want. Having an event on campus that needs catered? UNI Dining Services also operates UNI Catering & Events to serve its campus customers.

Meal Plan Changes/Cancellation
Residence hall students' meal plans may be changed one time each semester prior to Sept. 15 and Feb. 1, for fall and spring semesters, respectively. Meal plan billing will be pro-rated and adjusted. Dining Dollars levels will be associated with the new meal plan.
The purpose of this policy is to outline university standards for student behavior and delineate the processes by which allegations of misbehavior will be addressed in order to safeguard the rights, property, and safety of the University community and individuals in it; to ensure that student behavior complies with applicable law and policy; and to permit the orderly operation of the University.

II: Policy
Students and student organizations are expected to adhere to the standards of conduct described herein. Failing to do so may result in sanction(s).

Allegations of misconduct will be addressed through processes that ensure due process and contribute to the education of all involved.

Students and student organizations are responsible for knowing the information, policies, and procedures outlined in this document. Students are informed of the Student Conduct Code during orientation, via email, and have access to the Student Conduct Code via the University website.

III. Philosophy
The Student Conduct Code is grounded in a commitment to three core values: Respect: University of Northern Iowa students support the rights of individuals to live and work with each other in a safe environment reflective of the educational ideals of the University. Responsibility: University of Northern Iowa students engage in responsible social conduct that reflects positively upon the University community, while modeling good citizenship in all communities. Honesty: University of Northern Iowa students live a life of integrity, creating good leaders, friends, and colleagues who share the common goal of building our learning community.

IV: Student Conduct Authority
A. Authority: The Vice President for Student Affairs is vested with the administrative responsibility for the establishment and enforcement of policies governing student conduct and disciplinary action by the President of the University. The Vice President has, in turn, delegated considerable authority to the Dean of Students. The Dean of Students appoints Student Conduct Administrators as deemed necessary to efficiently and effectively administer the student conduct process.

B. Merit: Complaints will not be forwarded for a hearing unless there is reasonable cause to believe a policy has been violated. Reasonable cause is defined as credible information to support each element of the offense.

C. Interpretation: The Dean of Students will develop procedural rules for the administration of the Student Conduct Code. Any question of interpretation of the Student Conduct Code will be referred to the Dean of Students, whose interpretation is final.

D. Communication: University email is the University's primary means of communication with students. Students are responsible for all communication delivered to their university email address.

V: Jurisdiction
The Student Conduct Code and related policies and procedures apply to the conduct of individual students, both undergraduate and graduate, and all university-affiliated student organizations. The definition of student, in section VII, will be used in the interpretation and application of this policy.

The Student Conduct Code applies to behaviors that take place on campus, at university-sponsored events, through electronic media, and may also apply off-campus when the Dean of Students or designee determines the off-campus conduct is of university interest. A university interest is a matter of concern that includes:

A. Any situation where it appears that the student's conduct may present a danger or threat to the health or safety of self or others;

B. Any situation significantly infringing upon the rights, property, or educational pursuits of others or significantly breaching the peace and/or causing social disorder; and/or,

C. Any situation detrimental to the pursuit...
of the educational mission and/or interests of the University.

The Student Conduct Code may be applied to behavior online, via email or other electronic media. Online postings such as blogs, web postings, chats, and social networking sites are in the public sphere and are not private.

Students may be held accountable for the misconduct of their guests. Visitors to and guests of the University may seek resolution of alleged violations of the Student Conduct Code committed against them by students of the University community.

Reports of alleged policy violations should be submitted as soon as possible after the misconduct event occurs. Although there is no time limit on the reporting of misconduct, the university may ultimately be unable to adequately investigate if too much time has passed or if the students involved have graduated. Though anonymous complaints are permitted, doing so may limit the University's ability to investigate and respond to an alleged violation.

VI: Violations of Law
The student conduct process is distinct and different from criminal and civil court proceedings. Alleged violations of federal, state, and local laws may be investigated and addressed under the Student Conduct Code. When an offense occurs over which the University has jurisdiction, the University conduct process will generally go forward regardless of any criminal or civil action that may arise from the same incident.

A student may face interim actions as outlined in Section XII.

Determinations made or sanctions imposed under the Student Conduct Code will not be subject to change because criminal or civil action arising out of the same facts were dismissed, reduced, or resolved in favor of or against the respondent.

VII: Definitions
A. Administrative Hearing: A formal meeting between a respondent and a Student Conduct Administrator to determine responsibility for allegations of misconduct.
B. Advisor: A person who may be present and assist the involved parties through the conduct process. Typically advisors are members of the campus community, but the parties may select whoever they wish to serve as their advisor. An advisor may not serve as a witness or otherwise be party to the case.
C. Business Days: All days when the University is open. Saturdays, Sundays, holidays, and days when the University is closed are not counted. When counting days, the day an allegation is received at any point in the procedure shall be considered day one.
D. Complainant: Any person who submits an allegation that a student has violated the Student Conduct Code.
E. Conduct Board Hearing: For allegations of misconduct when sanctions may include suspension or expulsion three individuals, a Student Conduct Administrator, a student, and a faculty member may hear the case.
F. Due Process: The right to have the procedures outlined in this policy followed.
G. Faculty Member: Any person hired by the University to conduct classroom or teaching activities or who is otherwise considered by the University to be a member of its faculty.
H. Hearing: An administrative hearing or a Conduct Board hearing to determine responsibility for allegations of misconduct.
I. Investigator: Individual(s) trained to serve as a neutral fact finder, to examine the allegations, to collect the information, and to present the results of the investigation in the hearing.
J. Member of the University Community: Any person who is a student, faculty member, staff member, university official, visitor, or a member of the Board of Regents, State of Iowa. A person's status in a particular situation will be determined by the Dean of Students or designee.
K. Policy: Written policies, procedures, and regulations of the University as found in, but not limited to, the Student Conduct Code; UNI Policies and Procedures; the Discrimination, Harassment, and Sexual Misconduct Policy; Residence Life Policies; and/or, the University Catalog.
L. Respondent: The person who is alleged to have violated the Student Conduct Code.
M. Staff Member: Any person employed by the University whose primary role is non-teaching.
N. Standard of Information: Preponderance of information is the standard used to determine responsibility in student conduct cases. This means that it is more likely than not that a violation occurred.
O. Student(s): as pertaining to the Student Conduct Code, are defined as:
   1. Persons enrolled at the University of Northern Iowa;
   2. Persons who are not enrolled for a particular academic term but who have a continuing educational relationship with the University;
   3. Persons who have been notified of their acceptance for admission;
   4. Persons who are participating in programs sponsored by the University and another college or university (e.g. community college partnership agreements), although not enrolled at this institution; or,
   5. Persons who were defined as a student at the time of their misconduct.
P. Student Conduct Administrator: A University official authorized by the Dean of Students to determine whether or not a respondent is responsible for violating policies within the Student Conduct Code and to impose sanctions upon the respondent for policies violated.
Q. Student Organization: Includes all registered student organizations and other student groups associated with the University of Northern Iowa.
R. University: University of Northern Iowa.
S. University Official: Any person employed by the University, performing assigned administrative or professional responsibilities.
T. University Premises: All land, buildings, facilities, and other property in the possession of or owned, used, or controlled by the University (including adjacent streets or sidewalks).
U. Witness: Individual(s) who may offer information regarding an allegation of misconduct.

VIII: Student Rights
A. A student has the right to be treated with dignity and respect by all persons involved in the student conduct process.
B. A student has the right to a hearing that is conducted fairly.
C. A student has the right to a hearing by an unbiased Student Conduct Administrator/Conduct Board.

   a. emailed to the student's university issued email account;
   b. in person by the Dean of Students (or designee); or,
c. mailed to the local or permanent address of the student as indicated in official university records.

Any attorney present is subject to the same limitations of an advisor.

5. Each party will have the opportunity to present information, make statements, including impact statements, and present witnesses.

F. Decisions

1. Determinations of responsibility are made utilizing the preponderance of information standard. This means that it is more likely than not that a violation occurred.

2. Following a hearing, the respondent will be provided, within 10 business days, an outcome letter outlining determinations of responsibility and sanctions (if appropriate). In certain cases, where the law allows, a complainant will also receive notification of the outcome. Notice will be given in writing and may be delivered by one or more of the following methods:

Appeals must be made in writing and state the reason(s) for the appeal. The decision at each level is based on the written information provided by the Student Conduct Administrator/ appeal officer, the respondent, and the complainant (if applicable) for the appeal. For conduct cases involving a complainant other than the University, when one party requests an appeal, the other party (parties) will be notified and given up to five business days to respond. At the conclusion of those five business days, or upon receiving appeal requests from all parties involved, a decision will be rendered within ten business days.
